SEARCH FEE GUIDELINES

The following guidelines reflect, to the maximum extent possible, (1) the duty of the clerk's office to provide access to the court's records, and (2) the efficient use of the limited resources available in the clerk's office. These guidelines attempt to strike a fair balance between these two competing concerns. In addition, the guidelines are intended to be consistent with the search fee applicable to the other federal courts.

The guidelines are meant to inform the clerk's discretion, not to limit it. Thus, the guidelines are not meant to be hard-and-fast rules on the application of the search fee; rather, they are meant to be parameters within which the clerk's office may operate.
